Adaptiv Mini

Adaptiv Mini allows HDMI & Camera input to the OEM screen.

HDMI INPUT

**FRONT & REAR
CAMERA**

This plug and play Mini interface adds HDMI to connect your Apple or Android device, allowing you to mirror your smartphone display on the vehicle's original screen. Inputs for front and rear aftermarket cameras also came as standard with the Mini.

Application

Vehicles with 5.8" colour centre display & Concert head unit.

Kit Includes

Adaptiv Interface
Vehicle Harness

Prior to installation

Read the manual prior to installation. Technical knowledge is necessary for installation. The place of installation must be free of moisture and away from heat sources. Connects2 cannot be held responsible for the installation of this product.

Technical Support

Connects2 want to provide a fast and suitable resolution should you encounter any technical issues. With this in mind, when contacting Connects2, try to provide as much information as possible. This will speed up the process and help us to help you.
